### DETAILED ACTION

1. This application is in condition for allowance except for the following formal matters:

#### *Drawings*

2. The subject matter of this application admits of illustration by a drawing to facilitate understanding of the invention. Applicant is required to furnish a drawing under 37 CFR 1.81. No new matter may be introduced in the required drawing.

#### *Claim Objections*

3. Claims 50-55 are objected to because of the following informalities: Substitute "claim 48" with – claim 49 – (see line 1). Appropriate correction is required.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

#### *Allowable Subject Matter*

4. Claims 1-55 are allowable over the prior art.
5. The following is a statement of reasons for the indication of allowable subject matter: The prior art of record, taken alone or in combination, fail to teach or fairly

suggest a self-verifying voting system having a voting station comprising, among other things, a computer with at least one display device, at least one device to accept voting input from a voter, at least one data storage device, and sufficient memory to provide for the operation of a computer program in which the computer program runs; a printer connected to the computer for printing an election ballot according to which the voter voted; a ballot scanning means for reading the votes on the printed ballot printed according to the election ballot which the voter voted so that the votes shown on the printed ballot are compared by the computer program with the votes recorded in the computer for the voter; a means for connecting the ballot scanning means to the computer; and a means for tabulating the printed ballots generated by the voting station.

6. As allowable subject matter has been indicated, applicant's response must either comply with all formal requirements or specifically traverse each requirement not complied with. See 37 C.F.R. § 1.111(b) and section 707.079(a) of the M.P.E.P.

### ***Conclusion***

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

McClure et al. discloses an electronic voting system.

Reardon discloses a computer enhanced voting system including verifiable, custom printed ballots imprinted to the specifications of each voter.

Vadura et al. discloses an electronic voting system.

Chung et al. discloses an electronic voting system and method for optically scanned ballot.

Balolia discloses a voting system.
